

aXtion Bold E Transparent Module

Replacement transparent module for aXtion Bold Cases

SKU: CKP201
MSRP: \$19.99

For tablets that require access to asset tag or identification information this transparent module is ideal. The clear module allows for easy access to information needed to track tablets for enterprise, education and the like.

The module is easily replaced. Simply pull the existing module from the silicone cover on the case then insert the new module and firmly press the silicone tabs into the module's frame. For a complete case refresh checkout the Bold Screen Protector replacements.

- Replacement part for all aXtion Bold Cases (except the iPad mini cases)
- Features: asset tag access
