

aXtion Extreme for iPhone 12

Hazardous Location Certified, Rugged and Weatherproof Case with Certified Installation Service featuring multi-purpose belt clip (iPhone not included)

SKU: CPA307H
MSRP: \$399.99

The aXtion Extreme for iPhone 12 is a hazardous location certified solution designed to provide top of the line protection for any workforce. The roughest environments require the toughest cases. This case is designed for environments with flammable vapors or gases, combustible dust, easily ignitable fibers or flyings in the air. This case boasts MIL-STD-810H certification and has extra layers of shock protection. In addition, it is built for inclement weather with IP54 dust and water certification. Other protective features include: reinforced corners designed to absorb and disperse shock; screen and camera lens protectors to ensure the device doesn't get scratched; raised edges around the case to add extra screen and lens protection; button and port covers to keep dust and water from entering the device; and textured edges around the case to provide extra grip.

The case includes a holster which features a rotating belt clip and kickstand. The holster works to secure and protect the device while it is not in use, and positions it for easy viewing when it is. For seamless charging, the case is compatible with MagSafe and Qi wireless charging.

- Compatible with iPhone 12
- HazLoc certifications: Class I Div 2, Class II Div 2, Class III Div 1 & 2, Group A-D, F, G, and ATEX Zone 2
