

# aXtion Edge+ MP for Surface Pro 8

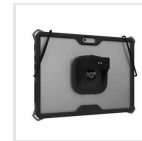

Ultra-slim rugged case with MagConnect compatibility and a built-in rotating module with adjustable silicone hand strap and non-slip kickstand/carrying handle

SKU: CWM331MP  
MSRP: \$129.99

The aXtion Edge+ MP for Surface Pro 8 is a certified rugged case designed for industrial use. It protects the Surface Pro from accidental drops and features reinforced corners. The case expands usage while in the field with the built-in rotating hand strap and multi-angle kickstand/carrying handle. It is compatible with the Surface Type Cover and has straps to keep the cover in place when not in-use. For mobile users in construction, energy and utilities, logistics and transportation, manufacturing and oil and gas this lightweight case keeps the Surface Pro safe and accessible while on the go.

The case pairs seamlessly with our MagConnect HD quick connect tablet mounting system. These heavy-duty mounts are available in multiple configurations and provide hand-free usage for virtually any work environment. To expand on mobility the case can be used with the Universal Shoulder Strap to provide hands-free mobility while on-the-go.

- Designed for Surface Pro 8
- Lightweight and rugged with reinforced corners for military grade shockproof certification (MIL-STD-810H)
- Other protective features include; screen protector, button and port covers
- Adjustable hand strap and rotating non-slip kickstand for multi-angle display and positioning
- MagConnect compatible for quick and easy attachment and detachment with any MagConnect mount
- Compatible with Surface Type Cover with straps at two corners to keep cover securely closed
- Hands-free mobility with optional Universal Shoulder Strap
