

aXtion VHB MH Module (White)

MagConnect compatible VHB Module featuring a silicone hand strap

SKU: CWX134
MSRP: \$39.99

aXtion VHB MH Module is a universal solution for turning a tablet case into a MagConnect compatible solution. The module features a slim profile and has a silicone hand strap. This accessory is ideal for environments that use a wide variety of tablet types or have a device not supported by our regular lineup. The module applies easily to any flat non-porous surface and offers a semi permanent installation. For removal instructions see the specifications section.

Featuring MagConnect compatibility; our proprietary magnetic connection which gives users the ability to connect and disconnect the tablet quickly and easily. The mounts allow users to work hands-free allowing them the flexibility they need to get the job done efficiently.

- Compatible with most cases
- Compatible with all MagConnect mounts
- Features a silicone hand strap for easy cleaning and soft comfort

BENEFITS

- Ergonomic
