

aXtion Collapsible Sun Visor and Harness

Quick release tablet sun visor and harness

SKU: CWX144
MSRP: \$149.99

When paired with an aXtion industrial grade case this sun visor and harness combo safely positions the device on your person. The harness features quick release buckles that allow the user to quickly access the device. The harness features a zipper to enable the device to be secured when the user is on-the-go. The tablet enclosure offers a thin profile to help ensure it doesn't interfere with work and snag on equipment. It is ideal for oil and gas, warehouse, construction, energy and utilities, and manufacturing environments.

The adjustable straps are made of nylon and can be adjusted to fit a variety of users. It can be paired with a stylus tether to keep all accessories tethered to the person.

- Compatible with aXtion Pro and Extreme Cases - See "Specifications" tab for more details
- Quick and easy to use
- Designed to position the device on the person for easy and quick tablet access
- Adjustable straps made of nylon for easy cleaning
- Ideal for industrial usage like oil and gas, warehouse, construction, energy and utilities and manufacturing environments
