

Elevate II Flex Drill Down Countertop Mount Kiosk for iPad 9.7 6th | 5th Generation | Air (White)

Flexible Drill Down Countertop Mount Kiosk with lockable secure enclosure and cable management

SKU: KAA106W
MSRP: \$209.99

Elevate II Flexible Drill Down Countertop Mount Kiosk is a sleek, full-featured solution for turning an iPad into an interactive display on a flat surface. Now with a flexible arm, you can easily position the tablet in any direction or angle you wish. The kiosk can be installed onto a countertop allowing the flexible arm to be positioned with ease. This solution is ideal for showroom floors, tradeshow, storefronts or any other setting that requires the tablet angle to be adjusted often.

The kiosk has a modern style, designed with minimalism in mind allowing it to fit in any environment. With minimalism at the core of its design each kiosk has internal cable management to maintain a clean and save environment. It is equipped with a lock and key so you can keep your iPad in the enclosure without fear of it being removed. Each kiosk comes with a lock port which is compatible with Kensington locks, so you can tether the entire kiosk to an immovable object for maximum security.
