SKU: KAA712W
MSRP: \$269.99

The Elevate II iPad Pro 12.9" 5th | 4th | 3rd Gen Countertop Stand Kiosk is the freestanding solution for providing guests with streamlined service. This white and minimalistic kiosk offers a modern interactive display with its slim body and weighted base. The kiosk's body is designed for cable management to maintain its neat profile. This countertop kiosk is highly portable and can fit the professionalism of any public space.

The metal enclosure has a lock and key feature to securely hold the tablet. For added security, the enclosure has a built-in slot that is compatible with Kensington Cable Locks to tether the entire kiosk to a fixed object. To limit port access when necessary, this kiosk also includes port covers.

Optional accessories to pair with this kiosk include an acrylic graphic panel, the Rotate 90° Module and 270° Module. The modules allow users to switch the display into different viewing angles.
