

Elevate II Floor Stand Kiosk for Surface Pro 8 (White)

White floor stand kiosk with secure enclosure featuring security cable lock compatibility

SKU: KAM411W
MSRP: \$329.99

This turn key kiosk solution is designed for Surface Pro 8. This floor stand kiosk solution is an ideal solution that provides guests with contactless engagement for a magnitude of use-cases. This kiosk is suitable for public spaces such as retail shops, reception areas, and even manufacturing facilities. Features include: cable management to allow tablet charging without cables hanging from the device; key lock port which secures the device in public spaces; weighed base to ensure the kiosk won't slide or tilt; camera access for application enablement; fully enclosed blocking all access points to ports and buttons; and VESA 50 | 75 | 100 compatibility.

Tablet security is a top priority when displaying a tablet in public spaces; this kiosk has a lock slot that is compatible with our LockDown cable locks, which can be tethered to an immovable object. Optional accessories to pair with this kiosk include a tilt and rotate module which ensures ADA compliance. This kiosk solution is also available in black.

- Designed for Surface Pro 8
- Kiosk's body is designed for cable management
- Slim and minimalistic profile to display tablet with front camera accessibility
- Enclosure has built-in key lock feature to securely display tablet
- Built-in slot compatible with Kensington cable locks to tether the entire kiosk
