

# Elevate II Countertop Kiosk for Surface Pro 8 (Black)

Black countertop kiosk with secure enclosure with security cable lock compatibility

SKU: KAM412B  
MSRP: \$269.99

The Elevate II Countertop Kiosk is designed for Surface Pro 8 and is a sleek and modern solution for providing an interactive guest experience. This kiosk features a weighted base to provide stability when placed on flat surfaces such as reception desks, restaurant counters, and more. It features a built-in lock which enables the device to be secured within the kiosk's enclosure.

The kiosk has a slim body and is designed for internal cable management which ensures a clean and minimalistic esthetic in any environment. To allow businesses to tether the entire kiosk to an immovable object it features a security slot that is compatible with our LockDown locks. For peace of mind in public spaces, this kiosk also includes port covers to restrict port accessibility when necessary. Optional accessories to pair with this kiosk include a tilt and rotate module which ensures ADA compliance.

- Designed for Surface Pro 8
- Kiosk's body is designed for cable management
- Slim and minimalistic profile to display tablet with front-facing camera accessibility
