

Elevate II On-Wall Mount Kiosk for Surface Pro 8 (Black)

Black on-wall mount kiosk with secure enclosure with security cable lock compatibility

SKU: KAM414B
MSRP: \$199.99

The Elevate II On-Wall Mount Kiosk for Surface Pro 8 offers a near flush minimalistic display. Its short body is designed with cable management in mind to provide continuous power without sacrificing design. The on-wall kiosk's slim display has full front-facing camera accessibility. The kiosk is permanently installed on a wall to provide an interactive kiosk in hospitals, hotels, restaurants, retail shops, and similar public spaces.

The on-wall kiosk has a security lock to protect the tablet it houses against theft in public spaces. For extra security the kiosk is compatible with our LockDown cable locks which allow the entire kiosk to be tethered to an immovable object. Optional accessories to pair with this kiosk include a tilt and rotate module which ensures ADA compliance. The on-wall kiosk is also available in white.

- Designed for Surface Pro 8
- Easy and permanent installation onto any flat surface
- Slim and minimalistic profile to display tablet with front-facing camera accessibility
- Enclosure has built-in key lock feature to securely display tablet
- Built-in slot compatible with Kensington cable locks to tether the entire kiosk
