

Elevate II Floor Stand Kiosk for Surface Go 3 | Go 2 | Go (Black)

Black floor stand kiosk with secure enclosure with security cable lock compatibility

SKU: KAM501B
MSRP: \$299.99

The Elevate II Floor Stand Kiosk is the interactive method to display any digital information from check-in forms to service information. To streamline efficiency, this kiosk provides healthcare and hospitality industries with a secure way to serve guests using a tablet.

The high quality metal enclosure safely secures the Surface Go 3 | Go 2 | Go with a built-in key lock. The ports and front and rear camera lens are fully accessible to users. For peace of mind, the enclosure includes port blocks to prevent any third-party tampering. For added security, the kiosk is compatible with Kensington Cable Locks that can be attached to any immovable object. Cables can also be hidden in the body of the kiosk for a sleek and professional look.

An optional accessory to maximize the functionality and appeal of the kiosk is a high quality attachable graphic acrylic panel to attract customers and guests. For alternative landscape or portrait viewing modes, the kiosk can also be paired with the Rotate 90 degree Module.

- Designed for Surface Go 3 | Go 2 | Go
- Easy installation with cable management inside kiosk enclosure and body
- Enclosure is completely secured with the included 2 keys for built-in key lock
- Open access to front and rear cameras and ports with optional port blocks
- Compatible with Kensington Cable Locks to boost tablet security in unmonitored environments (not included)
- Compatible with VESA 50mm, 75mm, or 100 mm Mounts for maximum configurability (not included)
- Highly customizable and available in two colors: black or white
- Optional accessories: attachable graphic acrylic panel, Rotate 270 degree Module, and Rotate 90 degree Module
