

Elevate II Wall | Countertop Mount Kiosk for Surface Go 3 | Go 2 | Go (Black)

Black wall | countertop kiosk with secure enclosure with security cable lock compatibility

SKU: KAM503B
MSRP: \$199.99

The Elevate II Wall | Countertop Kiosk is the permanent method to display the Surface Go 3 | Go 2 | Go for customers and guests across all industries. This kiosk is installed into a flat horizontal or vertical surface and is paired with a high quality metal enclosure to support the Surface Go 3 | Go 2 | Go. Its metal arm is designed for easy viewing and positioning of the tablet.

The included metal enclosure is sleek in design and has open access to all ports and front and rear cameras. The bundle also includes removable port blocks. To protect against device theft, the back of the metal enclosure has a Kensington Cable Lock opening as an optional accessory. This enclosure also features a built-in key lock with 2 master keys for ultimate security in public environments.

This kiosk is customizable to suit the needs of any industry and comes in two color options (black and white). Optional accessories also include the Rotate 90 degree Module to allow users to switch between landscape and portrait modes.

- Designed for Surface Go 3 | Go 2 | Go
- Permanent installation to display Surface Go 3 | Go 2 | Go on any horizontal or vertical flat surface
- Enclosure is completely secured with the included 2 keys for built-in key lock
- Open access to front and rear cameras and ports with optional port blocks
- Compatible with Kensington Cable Locks to boost tablet security in unmonitored environments (not included)
- Compatible with VESA 50mm, 75mm, or 100 mm Mounts for maximum configurability (not included)
- Optional accessories: attachable graphic acrylic panel, Rotate 270 degree Module, and Rotate 90 degree Module
