

Elevate II On-Wall Mount Kiosk for Surface Go 3 | Go 2 | Go (Black)

Black on-wall mount kiosk with secure enclosure with security cable lock compatibility

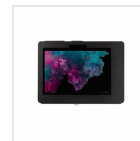

SKU: KAM504B
MSRP: \$169.99

For industries with high customer-employee interaction, the Elevate II On-Wall Mount Kiosk is the ideal method to providing any automated information on the Microsoft Surface Go 3 | Go 2 | Go. In healthcare clinics, this kiosk can be used to display facts about the common cold or parking information for guests.

For public spaces like tradeshows, medical clinics, and hotel lobbies, it is imperative to safeguard the Surface Go 3 | Go 2 | Go. The included enclosure securely holds the Surface Go 3 | Go 2 | Go with the built-in key lock to maximize the safety of the tablet in public spaces. The enclosure is also compatible with Kensington Cable Locks and can be attached to an immovable object. The high quality enclosure has unrestricted access to ports, front and rear cameras, and WiFi and cellular signals.

Optional accessories to maximize the functionality of this kiosk include an attachable graphic acrylic panel and for rotation between landscape and portrait modes, this kiosk can be paired with the Rotate 90 degree Module.

- Designed for Surface Go 3 | Go 2 | Go
- Kiosk is permanently installed onto any vertical or horizontal surface
- Enclosure is completely secured with the included 2 keys for built-in key lock
- Open access to front and rear cameras and ports with optional port blocks
- Compatible with Kensington Cable Locks to boost tablet security in unmonitored environments (not included)
- Compatible with VESA 50mm, 75mm, or 100 mm Mounts for maximum configurability (not included)
- Optional accessories: attachable graphic acrylic panel, Rotate 270 degree Module, and Rotate 90 degree Module
