

# Elevate II Flex Drill Down Countertop Mount Kiosk for Surface Go 3 | Go 2 | Go (White)

White flexible arm drill down countertop kiosk with secure enclosure with security cable lock compatibility

SKU: KAM506W  
MSRP: \$209.99

Elevate II Flexible Drill Down Countertop Kiosk is the permanent and user-friendly solution to display the Surface Go 3 | Go 2 | Go in public spaces like museums, restaurants, healthcare clinics, and more. Its minimalistic profile can be permanently installed onto any flat surface from walls to countertops in any public and private space.

The flexible arm can be easily adjusted to meet customer and guest preferences when interacting with the Surface Go 3 | Go 2 | Go display. This secure frame has a built-in key lock and Kensington Cable Lock compatibility to keep your device safe from theft. With open access to front and back cameras and ports, this enclosure also includes port blocks to restrict port accessibility when necessary. This kiosk is also available in black as an alternative color option.

- Designed for Surface Go 3 | Go 2 | Go
- Easy and permanent installation into any flat surface
- Enclosure is completely secured with the included 2 keys for built-in key lock
- Open access to front and rear cameras and ports with optional port blocks
- Compatible with Kensington Cable Locks to boost tablet security in unmonitored environments (not included)
- Compatible with VESA 50mm, 75mm, or 100mm Mounts for maximum configurability (not included)
- Optional accessory includes an attachable graphic acrylic panel
