

Elevate II Tilting and Rotating Module (Black)

ADA Compliant kiosk module with 90-degree rotation and tilt range of 10-degree through 90-degree

SKU: KKX110B
MSRP: \$49.99

The Elevate II Tilt and Rotate Module is designed to work with any Elevate II self-service kiosks and is ideal for public spaces. This ADA Compliant module rotates 90-degrees between portrait and landscape modes. It also features a 10-degree through 90-degree tilt to ensure the perfect viewing angle is reachable for a multitude of users. The module has been tested to withstand over 6,000 cycles making it ideal for use in healthcare, logistics and retail.

The module features cable management ensuring the cables are secure within the mechanism. It is easy to clean and sanitize making it perfect for use in a healthcare setting for virtual care solutions including Telehealth and remote patient monitoring. This easy to install module also comes in white.

- Compatible with all Elevate II Kiosks
- Features 90-degree rotation allowing for portrait and landscape orientations
