

aXtion LockDown Universal Holder for 8.1-inch to 10-inch Tablets

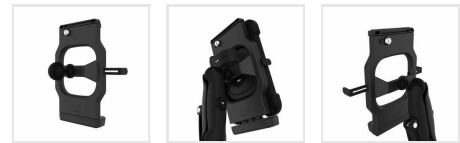

Universal, Adjustable Holder with locking capability

SKU: MCU203
MSRP: \$149.99

The aXtion LockDown Universal Holder is made for tablets 8.1" to 10". This universal tablet holder features a key security lock and is ideal for public workspaces like logistics, transportation and manufacturing. It features quick device removal. With the click of a button the device easily slides in and out of the holder. The holder features a 38mm rubber coated ball joint and works seamlessly with our HD Mounts. The rubber coating reduces friction and vibrations as well as allows a maximum holding capacity of up to 7 pounds. The ball joint also allows for adjustments to reach the perfect viewing angle in either portrait or landscape modes.

Our full line of HD Mounts position the device exactly where it is needed giving mobile workers the freedom to complete tasks hands-free in virtual any work environment. The mounts feature rubber coated ball joints at the mount's base to allow the mount to be perfectly positioned. Other features include, cable management, easy adjustment, MIL-STD-810H-514.7 vibration testing certification, made with corrosion resistant material, and optional security screw.

- Compatible with devices 8.1" - 10"
- Lockable key lock holder ideal for multiuser work environments
- Features rubber coated spherical ball joints
- Hold capacity of up to 7 lbs
- Quick device install and removal with the click of a button
