Installation is simple: four simple screws affix the mount to a wall stud, counter or desktop. Experience the joy of worry-free mounting with our On-Wall | Counter mount from The Joy Factory, featuring MagConnect technology. The MagConnect locking mechanism is the next step in the evolution of mobile mounts. The technology is advanced, but using it is quite simple. The iPad is secured into a snap-on hard-shell case but it can also be used with our aXtion M or MP rugged cases.
