

MagConnect HD Single Arm Forklift | Pole (up to 3-inches wide) Mount (26mm)

Quick connect tablet mount secures to square/flat or round surface ideal for high vibration environments

SKU: MMU230
MSRP: \$139.99

This MagConnect HD Forklift 26mm tablet mount can be used in a variety of areas within logistics and transportation. The forklift mount can be installed to a square/flat or round surface up to 3" wide. For tracking real-time inventory and/or handling inbound and outbound logistics the forklift mount keeps enablement technology positioned for handsfree and safe operation.

Each MagConnect mount features our quick connect technology which magnetically attaches and detaches a compatible case to the mount. Two rubber coated spherical ball joints provide vibration dampening and allows for near infinite positioning enabling the user to reach their optimal viewing and operating angle. The body of the mount features cable management, a slim profile to allow it to fit into tight spaces and a robust, corrosion-resistant mount arm. For public environments that require theft prevention, an optional security feature is available.

- Compatible with all cases and enclosure featuring MagConnect compatibility
- Adjusts to any square/flat or round surface maximum 3"
- Certified vibration and shock resistant MIL-STD-810G 514.7
- Built with two 26mm spherical rubber coated ball joints to provide maximum holding strength
- Made with corrosion-resistant material making it ideal for mixed element environments
- Features cable management, 360 degree rotation, shock and vibration resistance, and near infinite adjustability
- Optional locking lever for usage in public spaces

BENEFITS

- Configurable
- Expand Usability
- Ease of Use
- High Quality
- Ergonomic
- Increase Productivity
