

MagConnect Universal Smartphone Module

3M VHB Adhesive Module for Smartphones and Other Small Mobile Devices

SKU: MMX118
MSRP: \$19.99

MagConnect Universal Smartphone Module is a great solution for mounting a smartphone or other small mobile device up to 6" onto a MagConnect Mount. Conveniently mount your device in your vehicle or any work station to stay connected while keeping your device positioned exactly where you need it. Apply the module to the back of any case or device (flat/smooth surface) and instantly your smartphone is compatible with any MagConnect mount. Its sleek clamp-free and strap-free design uses an extra-strength 3M VHB adhesive to adhere to almost any flat surface. Unlike other Universal smartphone mounts that are designed for mobility, our MagConnect Module is very versatile as it has a built-in rotating handle and kick stand. The kick stand is perfect for propping your smartphone up when away from your mount. The magnetic adapter on the MagConnect mounts use a powerful magnet which allow users to effortlessly secure their device in place in virtually any environment.

- Strong adhesive applied to back case to create MagConnect compatible device
- Compatible with all MagConnect mounts
- Rotating built-in handle and kick stand
- Module mounts and dismounts easily to all MagConnect mounts via a magnet

BENEFITS

- Configurable
- Ease of Use
- Expand Usability
- High Quality
- Improve Efficiency
- Increase Mobility
