

MagConnect Pro M Wall | Counter Mount for iPad 9.7 6th | 5th Generation

Carbon fiber dual arm Wall | Counter Mount Bundle with detachable, waterproof aXtion Pro M Case with built-in heavy-duty screen protector

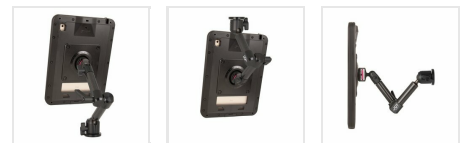

SKU: MWA604M
MSRP: \$289.99

Whether you're monitoring patient records or reviewing production line performance, the Wall | Counter Mount is the secure way to keep your iPad 9.7" 6th | 5th Gen in place. When not in use, this mount can fold away for storage. For quick and easy installation, the included four screws affix the mount to any horizontal or vertical flat surface.

With a military-grade certification (MIL-STD-810G), this rugged case is also waterproof with an IP68 rating and is able to endure continuous submersion underwater at a depth of 3.3 ft. for up to 30 minutes. This rugged case is suitable for any unpredictable environment as its design prevents debris, sand, or even snow from damaging the tablet.

Built with a locking port, this case is also compatible with Kensington Cable Locks to protect the iPad from theft. The case's MagConnect technology makes it compatible with any MagConnect mount. By removing the MagConnect mounting plate, the four available screw holes become compatible with VESA 100 mounting systems. Optional accessories include the Universal Shoulder or Hand Strap which are innovative ways to carry your tablet while on the go.
