

MagConnect Pro MP Wall | Counter Mount for Surface Go | Go 2

Quick connect carbon fiber wall | counter mount with industrial grade rugged and waterproof case with rotating, adjustable hand strap and kickstand

SKU: MWM409MP104
MSRP: \$289.99

When your work environment requires a Surface Go | Go 2 to be utilized around liquids you trust a MagConnect Pro Wall | Counter Mount bundle to protect and position it. It is designed to allow placement of the tablet on virtually any flat horizontal or vertical surface. Whether you are monitoring quality control on a production line or meeting safety standards on an oil rig this case and mount has you ready for anything.

The industrial grade aXtion Pro MP case is drop proof and waterproof certified. The case features button, port covers as well as camera and screen protectors. It is equipped with our proprietary technology ThermoDefend designed to dissipate heat ensuring the device performs at optimal performance. To increase functionality the case is equipped with our VESA MP Module featuring a non-slip, multi-angle kickstand and carrying handle with a rotating and adjustable hand strap. Take mobility further with an optional shoulder strap and stylus tether.

Designed for Surface Go | Go 2

Mount has two carbon fiber arms that sturdily affix your tablet with MagConnect technology, allowing easy attachment and detachment

Can be permanently installed to a flat vertical or horizontal surface within a workplace

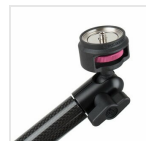

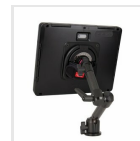

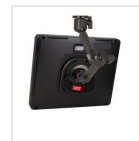

Highly flexible joints allow up to 360 rotation

Paired with a military-grade shockproof (MIL-STD-810G) certified and waterproof aXtion Pro MP Case

Case features screen and camera lens protectors as well as button and port covers to protect against dust, debris and water damage

Case features rotating and adjustable hand strap and non-slip, multi-angle kickstand and carrying handle

Case is pairable with a shoulder strap and stylus tether (not included) to increase mobility when not used with the included mount
