

MagConnect Pro MP HD Seat Bolt Mount for Surface Go | Go 2

Quick connect carbon fiber heavy duty seat bolt mount with industrial grade rugged and waterproof case with rotating, adjustable hand strap and kickstand

SKU: MWM409MP205
MSRP: \$369.99

Fleet service personnel need a versatile solution to help protect and position their Surface Go | Go 2 while navigating their day. With the MagConnect Pro MP HD Seat Bolt Mount Bundle the Surface Go can be positioned exactly where it is needed while in a vehicle and protected while in the field in unpredictable environments. Using the existing vehicles hardware the mount is secured to the passenger seat and easily stowed when not in use.

The aXtion Pro MP case that houses and protects the Surface Go | Go 2 is military grade certified drop proof and waterproof. It features the VESA MP Module, which has a rotating and adjustable hand strap and multi-angle, non-slip kickstand and carrying handle. The case quickly attaches to the included MagConnect mount via our proprietary magnetic connection. It also features ThermoDefend to dissipate heat ensuring the device remains at optimum performance. Expand mobility by pairing this bundle with an optional shoulder strap and stylus tether.

Mount attaches to passenger seat; is compatible with a wide range of makes and models

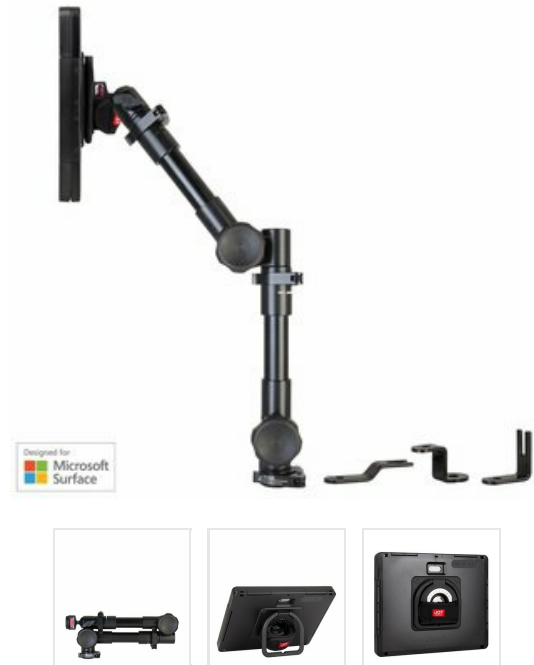

Highly flexible joints allow up to 360 rotation

Paired with a military-grade shockproof (MIL-STD-810G) certified and waterproof aXtion Pro MP Case

Case features screen and camera lens protectors as well as button and port covers to protect against dust, debris and water damage

Case features rotating and adjustable hand strap and non-slip, multi-angle kickstand and carrying handle

Case is pairable with a shoulder strap and stylus tether (not included) to increase mobility when not used with the included mount
