

AgileGo Magnet Cart

Rolling tablet cart with MagConnect gooseneck quick connecting arm

SKU: RMU101
MSRP: \$599.99

The AgileGo Magnet Cart is equipped to streamline a healthcare workers busy day. The healthcare cart is ideal for patient interpretation services and scheduled rounds or it can be utilized as a telehealth cart. This healthcare tablet mounting solution is equipped with a pull and push handle, five lockable caster wheels, and a gooseneck tablet mounting arm. The cart is made of high-quality aluminum alloy and is ADA compliant.

The MagConnect gooseneck arm is flexible for easy adjustment to accommodate each user's unique viewing angle. The cart also features quick magnetic connection making it quick and easy to attach the tablet onto the cart. It can be paired with any MagConnect compatible aXtion rugged case. This robust line of tablet cases is designed to protect the tablets they house. To expand ease of use the cart can be paired with a work surface, basket and power hub holder

- Compatible with all aXtion rugged cases with MagConnect compatibility; some cases feature antimicrobial capabilities
- Features include: gooseneck flexible arm, adjustable handle, five smooth gliding locking wheels, and MagConnect connection
- Quick magnetic connection with MagConnect when attaching and detaching the tablet to the cart
- Flexible gooseneck arm allows the tablet to be adjusted to meet each user's unique viewing angle
- Compliance with ADA, UL/IEC 60601-1 Physical Requirements, RoHS, and REACH
- Expand usage with these companion accessories: work surface, basket, and power hub holder
