Secure iPad Holder for MagConnect Mounts (Cable Included)

SKU: SGA100  
MSRP: \$59.99

The LockDown is a secure case that cradles your iPad in safety, tethered by a cable lock (included) to an immovable object. Just unlock the cable lock with the included keys, insert the iPad, close, and lock. Its that simple. The LockDown may keep thieves at bay, but it invites your guests to use all the features of the iPad without hindrance. The LockDown doesnt block any button, port, or feature from being fully utilized. What sets this case apart from other lockable solutions, is that this case works out-of-the-box with our award winning line of tablet MagConnect mounts. Just snap the LockDown onto your MagConnect mount and secure the cable lock and its safe and ready for public use.

This iPad holder is designed for the long haul. Sturdy construction is matched with soft lining on the inside, so bumps from the outside wont disturb the iPad within
